The Shining meets The Conjuring in this scary and suspenseful novel "akin to old Stephen King novels" (School Library Journal). The fact that neither of her parents wants to deal with her is nothing new to Penny. She's used to being discussed like a problem, a problem her mother has finally passed on to her father. What she hasn't gotten used to is her stepmother...especially when she finds out that she'll have to spend the summer with April in the remote woods of Washington to restore a broken-down old house. Set deep in a dense forest, the old Carver House is filled with abandoned antique furniture, rich architectural details, and its own chilling past. The only respite Penny can find away from April's renovations is in Miller, the young guy who runs the local general store. He's her only chance at a normal and enjoyable summer. But Miller has his own connection to the Carver house, and it's one that goes beyond the mysterious tapping Penny hears at her window, the handprints she finds smudging the glass panes, and the visions of children who beckon Penny to follow them into the dark woods. Miller's past just might threaten to become the terror of Penny's future...

THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET 'It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control. But control was something I'd lost a long time ago.' Nic Sheff was drunk for the first time at age 11. In the years that followed, he would regularly smoke pot, do cocaine and ecstasy, and develop addictions to crystal meth and heroin. Even so, he felt like he would always be able to quit and put his life together whenever he needed to. It took a violent relapse one summer to convince him otherwise. In a voice that is raw and honest, Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery. He paints an extraordinary picture for us of a person at odds with his past, with his family, with his substances, and with himself. Tweak is a raw, harrowing, and ultimately hopeful tale of the road from relapse to recovery and complements his father's parallel memoir, *Beautiful Boy*. Praise for Nic Sheff: 'Difficult to read and impossible to put down.' *Chicago Tribune* 'Nic Sheff's wrenching tale is told with electrifying honesty and insight.' *Armistead Maupin*

One man's quest to make history—and a lot of money: "High entertainment" from the three-time Edgar Award-winning Grand Master of Mystery (Elmore Leonard). Kirby Galway may be a low-level marijuana smuggler in Belize, but the man has a dream—to make lots and lots of money. So when a local official offers him a back-jungle tract of land he swears would make a perfect cattle ranch, Kirby jumps at the opportunity. Unfortunately, he lands himself in a swamp—that he now owns. Kirby begins selling homemade "artifacts" from his property to American museums and witless tourists, even building a fake ancient temple and recruiting a tribe of Mayan Indians who know a good scam when they see one. But his cash-cow paradise soon attracts the attention of two snooping New York reporters, a beautiful archaeologist from UCLA, and a troop of Guatemalan guerillas just itching to shoot somebody. Kirby is going to have to talk fast, move faster, and pull out every dirty trick he knows if he's going to get out of this alive . . . "I thoroughly enjoyed *High Adventure*." —Elmore Leonard "Westlake at his best: intriguing, fast moving . . . Ends with a slam-bang climax." —Los Angeles Times Praise for Donald E. Westlake "Westlake has no peer in the realm of comic mystery novelists." —San Francisco Chronicle

That Left Turn at Albuquerque Kensington Books

Good triumphs evil in every situation. Sometimes, it takes a while to recognize and realize, but it is so. You never know when an angel may approach you one day, so help those in need. Imagine another type of helpful host from heaven. Imagine a tweaker as one who tweaks happenings just enough to add more love and compassion in the future without changing the mainstream of history. Would it be a blessing having a being that would prevent you from making a wrong decision by eliminating a particular reason for having to choose? Imagine a future from which tweakers visit and do helpful things to lead people to the right path, which will add much love and compassion for their future. Imagine if you will a soul going to heaven and wishing to fight evil beside the angels in the war between good and evil. A tweaker is a being from an elite heavenly force, TSI (Tweaker Secret Intervention). Their souls and bodies are used as vessels compatible for time travel and for acceptable fixtures of mankind. Imagine tweakers with no sexual desires or jealousy, traveling to and fro through time as mates, paired for life of services, often for hundreds of years. Being telepathically in sync with their Tweaker Sentry Post and continuously monitored throughout each mission, with answers provided by higher knowledge as needed. Single or together, the missions satisfactorily completed, gives more and more love and compassion to the future. Imagine a tweaker traveling through time, stricken by lightning, thus losing memory and tools, in only a white vinyl jumpsuit and slippers. Having all common knowledge except of personal identity and past with amnesia. A tweaker named Ja-Tabor wanders aimlessly yet feeling that he has a particular purpose. Follow him through relearning and reuniting with his mate. Imagine!

The second edition of this best-selling Python book (over 500,000 copies sold!) uses Python 3 to teach even the technically uninclined how to write programs that do in minutes what would take hours to do by hand. There is no prior programming experience required and the book is loved by liberal arts majors and geeks alike. If you've ever spent hours renaming files or updating hundreds of spreadsheet cells, you know how tedious tasks like these can be. But what if you could have your computer do them for you? In this fully revised second edition of the best-selling classic *Automate the Boring Stuff with Python*, you'll learn how to use Python to write programs that do in minutes what would take you hours to do by hand--no prior programming experience required. You'll learn the basics of Python and explore Python's rich library of modules for performing specific tasks, like scraping data off websites, reading PDF and Word documents, and automating clicking and typing tasks. The second edition of this international fan favorite includes a brand-new chapter on input validation, as well as tutorials on automating Gmail and Google Sheets, plus tips on automatically updating CSV files.

You'll learn how to create programs that effortlessly perform useful feats of automation to:

- Search for text in a file or across multiple files
- Create, update, move, and rename files and folders
- Search the Web and download online content
- Update and format data in Excel spreadsheets of any size
- Split, merge, watermark, and encrypt PDFs
- Send email responses and text notifications
- Fill out online forms

Step-by-step instructions walk you through each program, and updated practice projects at the end of each chapter challenge you to improve those programs and use your newfound skills to automate similar tasks. Don't spend your time doing work a well-trained monkey could do. Even if you've never written a line of code, you can make your computer do the grunt work. Learn how in *Automate the Boring Stuff with Python*, 2nd Edition.

ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF 2019

From the New York Times bestselling author of *Beautiful Ruins*, the first collection of short fiction from Jess Walter—a suite of diverse and searching stories about personal struggle and diminished dreams, all of them marked by the wry wit, keen eye, and generosity of spirit that has made him a bookseller and reader favorite. These twelve stories—published over the last five years in Harper's, *The Best American Short Stories*, *McSweeney's*, *Playboy*, and other publications—veer from comic tales of love to social satire to suspenseful crime fiction, from hip Portland to once-hip Seattle to never-hip Spokane, from a condemned casino in Las Vegas to a bottomless lake in the dark woods of Idaho. This is a world of lost fathers and redemptive conmen, of meth tweakers on desperate odysseys and men committing suicide by fishing. *We Live in Water* is a darkly comic, heartfelt collection of stories from a "ridiculously talented writer" (New York Times), "one of the freshest voices in American literature" (Dallas Morning News).
