A Dictionary of Arts, Sciences, Literature and General Information

Pearson UK

#1 NEW YORK TIMES BESTSELLER If you want to build a better future, you must believe in secrets. The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In *Zero to One*, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we're too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. Tomorrow's champions will not win by competing ruthlessly in today's marketplace. They will escape competition altogether, because their businesses will be unique. *Zero to One* presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

A *Novel* Ballantine Books

Everyone at some point in their life will have to attend an interview. Whether they are applying for a job, a promotion, a training programme or even a college course, the fact remains that a questioning process will occur and the need to create a good impression is essential. Now in its fifth edition, this extremely useful guide shows you how to portray professionalism and confidence and take control of the interview process. Breaking the process down into accessible steps, Rebecca Corfield identifies the ways in which you can prepare for an interview, providing example questions and advice on how to answer them. There are also tips on what employers are looking for, how to make a presentation during an interview and vital information on how you should present yourself so that you make a good and lasting impression.

A *Novel* Blackstone Publishing

The Second Edition of Johnny Saldaña's international bestseller provides an in-depth guide to the multiple approaches available for coding qualitative data. Fully up to date, it includes new chapters, more coding techniques and an additional glossary. Clear, practical and authoritative, the book: -describes how coding initiates qualitative data analysis -demonstrates the writing of analytic memos -discusses available analytic software -suggests how best to use *The Coding Manual for Qualitative Researchers* for particular studies. In total, 32 coding methods are profiled that can be applied to a range of research genres from grounded theory to phenomenology to narrative inquiry. For each approach, Saldaña discusses the method's origins, a description of the method, practical applications, and a clearly illustrated example with analytic follow-up. A unique and invaluable reference for students, teachers, and practitioners of qualitative inquiry, this book is essential reading across the social sciences.

The 310 Job Interview Questions Answered For Dummies

Kathy Caprino guides women to take the reins in their careers by identifying and overcoming the 7 most damaging power gaps holding them back and accessing new levels of internal and external power to propel you forward to the success you want and deserve. The business world has been forever changed by the important progress and contributions that women have made. Yet, with only 38% of manager roles and 22% of C-suite positions being held by women, women continue to struggle to achieve the reward, respect, and authority they have earned. In these pages, career, executive, and leadership coach Kathy Caprino helps women identify the 7 most damaging power gaps that are holding them back from the success they want and deserve, outlining the key steps you can take today to access greater positive power, become the true author of your life, and reach your highest and most rewarding goals. Kathy has dedicated her work to the advancement of women in business. In her research, she has found that 98% of professional women are experiencing at least one of these seven damaging power gaps, and over 75% are facing 3 or more: Power Gap 1: Not recognizing your special talents, abilities, and accomplishments Power Gap 2: Communicating from fear, not strength Power Gap 3: Reluctance to ask for what you deserve Power Gap 4: Isolating from influential support Power Gap 5: Acquiescing instead of saying "Stop!" to mistreatment Power Gap 6: Losing sight of your thrilling dream for your life Power Gap 7: Allowing past trauma and challenges to define you Through riveting real-life success stories of women overcoming these gaps, and proven strategies and solutions from more than 30 of the nation's top experts in fields that are essential to women's success, the exercises in this book will equip you with the strength to: See yourself more powerfully (Brave Sight) Speak more confidently (Brave Speak) Ask for and receive what you deserve (Brave Ask) Connect to your advantage with influential support (Brave Connection) Challenge and change negative behavior toward you (Brave Challenge) Be of service in more meaningful ways (Brave Service) Heal from past trauma and challenge (Brave Healing) Most importantly, *The Most Powerful You* will reconnect you to the thrilling dreams you once had for your life and empower you to take the necessary steps to reclaim that dream while making your positive impact in the world.

20 Years of Practical Business Wisdom from the Trenches

Independently Published

ABOUT THE BOOK Reviews "I recommend this book as a 'must read' for college graduates." -- Bettie Corbin Tucker-bookreviewers.org "Human Resources would do itself a favor by presenting each new hire with a copy of this book."--Edward Halebian, Television Executive "Following the advice in this book at the start of your career will give you a 'leg up' on your competition." -- Scott Braverman, former Merrill Lynch Financial Advisor "I would highly recommend this book as a resource to students who want to succeed in their future careers." -- Stanford University Senior This isn't just another book...it's one of the best handbooks to have when you get into trouble or need ways to improve in many contexts of corporate life.--NVS, Computer Scientist Product Description The second edition (2012) of the popular career advice book, *From Graduation To Corporation*, is a comprehensive guide to success in the workplace and is specifically tailored to college students and recent college graduates. It is an invitation to the "Millennials" (Generation Y) to go inside the head of a corporate veteran. By examining the thought processes of a senior executive and learning from his experiences, recent college graduates can be better prepared to narrow the gap between their expectations and the expectations of their supervisors. This edition contains additional information on job search websites, social networking websites, college career centers, career fairs, dining etiquette, and the different generations in the workplace. Other key areas to career success include tips on resumes/cover letters, networking, interviewing, dealing with difficult people, dating at work, how to act in meetings, dress codes, how to stay organized, how to ask for a promotion/raise, Internet/email/telephone etiquette, and Andy's 73 "Corporate Commandments." What makes this book unique is that the author not only gives us his refreshingly honest account of his climb up the corporate ladder, but also discusses his fall from the top rungs. After working for the same two bosses in the same department of a major television and motion picture studio for over twenty years, Andy Teach found himself on the unemployment line. Find out what he did right and what he did wrong so that you can reach the top rungs of the corporate ladder . . . and stay there!
