*Long Lost* Simon and Schuster

Before there was Ember...there was Yonwood. Discover the prophecy that started

it all in this prequel to the *The City of Ember*—a modern-day classic with over 4 MILLION copies sold! Nickie will grow up to be one of the first citizens of the city of Ember. But for now, she is a girl who has just moved to the town of Yonwood. There, she discovers a place full of suspicion, where one citizen's visions of fire and destruction have turned everyone against each other. Eager to take her mind off her father's absence as he works on a mysterious government project, Nickie reads her great-grandfather's peculiar journals, spies on a reclusive neighbor who studies the heavens, and meets a strange boy who is fascinated with snakes— all while keeping an eye out for

trouble. But is it already too late to avoid a devastating war? Praise for the *City of Ember* books: Nominated to 28 State Award Lists! ### **Island of Legends**

Simon and Schuster Pamphlet is a succinct statement of the ethical obligations and duties of individuals who enter the nursing profession, the profession's nonnegotiable ethical standard, and an expression of nursing's own understanding of its commitment to society. Provides a framework for nurses to use in ethical analysis and decision-making.

*Wake Penguin*

The year is 1917.

Following the sudden death of his Professor, a young man and his

two companions are approached by a strange man who gives them a book to safeguard. This book, the *Imaginarium Geographica*, is the reason the Professor was killed, and now, they too are in mortal danger. Chased by the ferocious Wendigo, half-man half-werewolf creatures, the three companions seek refuge on a ship - a ship that leads them to the extraordinary lands of myth and legend mapped in the precious book they carry. As their adventure unfolds we learn that the friends are in fact C.S Lewis, J.R.R Tolkien and Charles Williams - and as they discover that events in the known world mirror those in the imaginary realm, they come to realise the importance of the

Imaginarium Geographica , and if not protected, there will be no peace from the war that rages in our world.

**Code of Ethics for Nurses with Interpretive Statements** Simon and Schuster

In a society that purges thirteen-year-olds who are creative, identical twins Aaron and Alex are separated, one to attend University while the other, supposedly Eliminated, finds himself in a wondrous place where youths hone their abilities and learn magic.

*Island of Graves*

Yearling

Spider-Man meets Animorphs in this thrilling middle grade series from Lisa McMann, New York Times bestselling author of the

Unwanteds series.

Katherine

Applegate—Newbery Medal winning author of *The One and Only Ivan*, *Wishtree*, and *Endling*—calls this book “gripping, action-packed, and filled with humor and heart.”

Charlie Wilde knew her life would change forever when her family moved from the city of Chicago to the suburbs of Arizona...and that was before she found the bracelet. After putting it on, she notices odd things start to happen. Suddenly Charlie seems to have the speed of a cheetah and the strength of an elephant—and that’s just the beginning. She would be thrilled about her transformation if she had any idea how to use the device or control her amazing

powers. So Charlie is forced to put her trust in new friends to help her uncover the surprising truth behind the mysterious bracelet. The Going Wild series is perfect for fans of Rick Riordan, Brandon Mull, and Ridley Pearson looking for a new twist on their middle grade adventures. It blends science fiction with the animal kingdom, highlighting some of the incredible feats that animals can achieve, which might seem possible only in comic books but are actually completely true. Don't miss Going Wild #2: Predator vs. Prey and Going Wild #3: Clash of Beasts! Dragon Fire Simon and Schuster

continues to build his army in Quill, a very dangerous common enemy is revealed.

### **The Wake Trilogy**

Simon and Schuster

X-Men meets Spy Kids in this instant New York Times bestseller!

Here's the first book in a new middle-grade fantasy/adventure series from the author of *The Unwanteds*.

Fifteen years ago, eight supernatural

criminals fled Estero City to make a new life in an isolated tropical hideout. Over time, seven of them

disappeared without a trace, presumed

captured or killed. And now, the remaining

one has died. Left behind to fend for themselves are the

criminals' five children, each with superpowers

of their own: Birdie can communicate with

animals. Brix has athletic abilities and can heal quickly.

Tenner can swim like a fish and can see in the

dark and hear from a distance. Seven's skin

camouflages to match whatever is around

him. Cabot hasn't shown signs of any unusual power—yet.

Then one day Birdie finds a map among her

father's things that leads to a secret stash.

There is also a note: Go to Estero, find your mother, and give her the map. The five have lived their entire lives in isolation. What would it mean to follow the map to a strange world full of things they've only heard about, like cell phones, cars, and electricity? A world where, thanks to their parents, being supernatural is a crime?

*The Unwantededs Quests Collection Books 1-3*  
Penguin

For seventeen-year-old Janie, getting sucked into other people's dreams at any given moment is getting tired. Especially the falling dreams, and the standing-in-front-of-the-class-naked ones. But then there are the nightmares, the ones that chill her to the bone... like the one

where she is in a strange house...in a dirty kitchen...and a sinister monster that edges ever closer. This is the nightmare that she keeps falling into, the one where, for the first time, Janie is more than a witness to someone else's twisted psyche. She is a participant...

*Ashes to Asheville*

Simon and Schuster

Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond Artimé in the fifth novel in the New York Times bestselling sequel series to *The Unwantededs*, which Kirkus Reviews called "The Hunger Games meets Harry Potter." Artimé is at war. Led by the reckless new head mage, Frieda

Stubbs, and swayed by her stoking their fear of the Revinir's return, the people of Artimé have turned against the Stowe family.

Aaron and his allies are captured while Fifer is left exposed to mortal danger. Thisbe and the team of black-eyed children from Grimere journey to Artimé to help, leaving Dev behind to fend for himself against the increasingly powerful Revinir. Thisbe grapples with guilt and worry from multiple directions as her relationship with Fifer continues its downward spiral. When things are at their bleakest and everything is on the line, Fifer is forced to make a decision that could change her destiny forever.

The Unwanted Simon Pulse

Ethan was abducted when he was just seven. Now, aged sixteen, he's finally back home. It's a miracle - at first. But as the tensions build and his family starts to crack again, can Ethan unearth the buried memory that holds the key to it all?

*Here, There Be Dragons* Simon and Schuster

Two sisters take off on a wild road trip in this poignant tale for fans of *Counting by 7s* and *Fish in a Tree*. After Mama Lacy's death, Fella was forced to move in with her grandmother, Mrs. Madison. The move brought Fella all sorts of comforts she wasn't used to at home, but it also meant saying goodbye to her sister Zoey (a.k.a. Zany) and her other mother,

Mama Shannon. Though Mama Shannon fought hard to keep Fella, it was no use. The marriage act is still a few years away and the courts thought Fella would be better off with a blood relation. Already heartbroken, Fella soon finds herself alone in Mrs. Madison's house, grieving both the death of her mother and the loss of her entire family. Then one night, Zany shows up at Mrs. Madison's house determined to fulfill Mama Lacy's dying wish: to have her ashes spread over the lawn of the last place they were all happy as a family. Of course, this means stealing Mama Lacy's ashes and driving hundreds of miles in the middle of night to Asheville, North Carolina. Their

adventure takes one disastrous turn after another, but their impulsive journey helps them rediscover the bonds that truly make them sisters. A heartrending story of family torn apart and put back together again, *Ashes to Asheville* is an important, timely tale.

### **Island of Silence**

Simon and Schuster  
The first three books of the sequel series to the bestselling and award-winning *Unwanted* series are now available in a collectible boxed set! Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond the islands in the New York Times and USA TODAY bestselling *Unwanted Quests* series. This

captivating boxed set includes: *Dragon Captives*, *Dragon Bones*, *Dragon Ghosts*, [The Unwanteds Quests Complete Collection](#), *Aladdin*. Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond Artimé in the third novel in the New York Times bestselling sequel series to *The Unwanteds*, which Kirkus Reviews called “The Hunger Games meets Harry Potter.” Devastated by loss and hampered by a civil war in the Land of the Dragons, Fifer and Simber struggle to lead the rest of their team in a seemingly hopeless search for Fifer’s twin. Meanwhile, Thisbe, pounded by images of Grimere’s

dark history and her growing feelings of abandonment, considers leaving Rohan behind in a desperate gamble that could lead her home...or to her death. Back in Artimé, chaos reigns. A new mage steps up to restore the magical land, but finds unexpected trouble at home and discovers—too late—that the Revinir’s controlling grip has reached into the vulnerable heart of Artimé.
