**One Night of
Trouble**
Autumn in
London
While working
in the ancient
Silk Road city
of Aleppo,
American
Hannah
Johnson and
her Swedish
lover Oskar
are drawn into
the mounting
turbulence of
the impending
Syrian civil
war. After
Oskar is
wounded at a

street protest one evening, he and Hannah cross paths with Dr. Samir Hasan, a renowned surgeon. As the protests swell into all-out war, Dr. Hasan tends not only to Oskar, but also risks his life, his practice, and his family to tend to a nephew the government has branded an insurgent. Dr. Hasan's humanitarian activities come to the attention of a vengeful, Javert-like secret police officer whose

son's death on Dr. Hasan's watch triggers a series of events that will drag Hannah and Oskar deeper into the war and put Hannah and Dr. Hasan in the officer's crosshairs. Both intimate and sweeping in scope, *The Doctor of Aleppo* lends insight into how the most brutal, devastating war of the twenty-first century is mirrored on the personal scale, leaving scars that can never be healed.

This down-to-earth romance will especially appeal to animal lovers."—Publishers Weekly on The Somerset Girls No one knows you quite like a sister... Summer in Sunset, Kentucky, means long, hot days—and sometimes surprising new

beginnings. Through it all, the ties of sisterhood will be there, guiding Autumn and Ember to the lives, and loves, they need... When they're running the animal-rescue farm they inherited from their grandparents, Autumn and Ember Somerset are perfectly in sync. At all other times, not so much. Dependable Autumn would rather curl up with a good book than paint the town red with

Ember. After the disaster that was Autumn's last relationship, it's pure self-protection. But when her high school crush comes back to town with his adorable young daughter, igniting memories best left forgotten, there's only one person Autumn can turn to... Beneath Ember's free-spirited facade is a layer of deep hurt. She'll gladly nudge Autumn toward a

second chance. But risk her own heart? Not likely. The closer Autumn gets to her own happily-ever-after, the more Ember wonders what she might be missing—and if it isn't her time to be bold, too. Don't miss The Honeymoon Cottage, an all-new romantic family saga by Lori Foster where locals of a quirky small town help an on-the-shelf wedding planner find her own

The Neverglades: Volume One

Hocus Pocus Publishing, Inc. She must marry. But she'll do it her way. And she has a plan... Caroline Whitfield has it all figured out. Since all young ladies of the ton must marry, she plans to do just that. The only romances she's interested in are between the pages of her beloved books, so love is not a consideration. She needs a husband willing to let her live her own life, and

who better than a man for whom a wife is an inconvenience packed off to the country? Which means only one type of man will do...She needs a rake, a man who will barely notice his own wife in favour of his own pursuits. It's the perfect plan. All she has to do is not fall in love... And most definitely not with the irritatingly handsome Baron Huntingford. He needs a wife.

Preferably someone who is not Miss Whitfield... More at home on the battlefield than in a ballroom, Aaron, Baron Huntingford, is still getting used to his title and being a man of leisure rather than a soldier. A rake with a dangerous reputation he's used to any woman he wants falling at his feet, but Miss Whitfield is not like other debutantes. For one thing, she seems to actively dislike him. For

another, she's his best friend's new sister-in-law, and therefore off limits. Never mind that he craves her touch and to find out if her lips taste as sweet as they look. But when he finds out about her scheme to bring a rake to the altar, all bets are off. If she wants a rake, she'll get one. Him.

When Piper is invited to vacation at the ranch, Piper and Ty connect through horses and

music. After a video duet of Piper and Ty goes viral, they're invited to sing in Nashville, which also provides added pressure, stressing their new relationship. *The Somerset Girls* Amelia Wilde Ava Ingerson knows what she wants: the beautiful California beach house she just inherited, a career in teaching supplemented with income from her vacation guests, and a

life full of friends, fun and family—right here in Seahaven, California. She's never moving again, no matter what, so when handsome entrepreneur Samuel Cross arrives to stay at her beach house for two weeks, Ava knows the last thing she should do is act on her attraction to him. When Sam forgave his business partner and fiancée for falling in love with each other, he didn't expect

them to invite him on their pre-wedding vacation jaunt to Seahaven, or that he'd actually agree to come. But Sam knows his ex. She's planning to use the trip to make a bid for control of his start-up. He's prepared for two weeks of unmitigated misery with the happy couple and their other guests, but things look up when their pretty host, Ava, quickly takes stock of the situation and maneuvers Sam into the

best room of the house. Now if only he can convince Ava she needs to spend more time with him, he might salvage this vacation, after all. Ava isn't sure why she keeps coming to Sam's rescue, but she's having more fun than she's had in years as they explore all the area has to offer—with and without his friends. If she doesn't get her heart under control, she'll end up hurt all over again. After all, Sam has made it clear

his home is in Chicago. Sam knows his life is waiting for him in Illinois, including the big contract he's been working so hard to land, so why is he daydreaming about a life under the California sun? He needs to persuade Ava to come home with him. It's the only sensible thing to do. But neither Ava nor Sam feel like being sensible anymore...
