Will I ever stop hurting the one person who's never hurt me? I've done things I can never undo. No matter how much I wish I could, sometimes the wounds I inflict are too deep, too catastrophic, too septic to heal. As I look into the eyes of the only man I've ever loved I know I've gone too far. I've finally crossed the line. Even if he knew my reason for doing this, he'd never forgive me. He

always puts my needs before his own. Now it's my turn to protect him. None of that matters though because the betrayal and disgust in his eyes comes from deep within his soul. There's no coming back from this. He will forever be tormented by what he's seen, and he will never forgive me. The last fragment of my heart to hold out hope that we'd share a future, withers and dies.

The BBC's Jazz Book of the Year for 2008. Few jazz musicians have had the lasting influence or attracted as much scholarly study as John Coltrane. Yet, despite dozens of books, hundreds of articles, and his own recorded legacy, the "facts" about Coltrane's life and work have never been definitely established. Well-known Coltrane biographer and jazz educator Lewis Porter has assembled an international team of scholars to write *The John Coltrane Reference*, an indispensable guide to the life and music of John Coltrane. *The John Coltrane Reference* features a day-by-day chronology, which extends from 1926-1967, detailing Coltrane's early years and every live performance given by Coltrane as either a sideman or leader, and a discography offering full session information from the first year of recordings, 1946, to the last, 1967. The appendices list every film and television appearance, as well as every recorded interview. Richly illustrated with over 250 album covers and photos from the collection of Yasuhiro Fujioka, *The John Coltrane Reference* will find a place in every major library supporting a jazz studies program, as well as John Coltrane enthusiasts.

Coming face-to-face with my past changes EVERYTHING. I'm at the top of my game. All my struggles have finally paid off. Life should be great. I mean, life is great. Except for the fact that I can't stop thinking of her. The woman who mangled my heart into

a bloody pulp and never looked back. If I could free myself of our shared memories, my future would be golden. There's only one way to move on-I have to confront the past, so I can move into the next chapter of my life in peace. Which means confronting her for the final time. I had no idea that knocking on her door that day would turn my life upside down.

From USA Today Bestselling Author, Elisabeth Grace, comes the stunning conclusion to the Duplicity Duet. "No" One word. Two letters. But those two letters changed everything. It was impossible to predict the impact I would have on the life of the only woman I'd ever truly loved. No way to know that I would result in her ruin. I'd suffer for eternity with the knowledge that it was me who brought devastation to her doorstep. Though I deserved the anguish I felt, to see her suffer was unacceptable. I would fix this. Somehow I would prove to her that I wasn't the monster she thought I was. Even if it meant becoming a monster in order to make that happen.

### The Texaco Star

The Heroes of this book are the veterans and their families whose stories span 140+ years in protecting our country. Their stories are history, filled with the mundane events of service life, the fear of combat, the horror that front line infantrymen faced, the tension that air crews and pilots faced, the vastness of the Pacific that confronted sailors, the strain on the mind and bodies of Prisoners of War, and humor viewed through the eyes of the veterans. As you read their stories listen to the voices of these veterans and picture in your mind an aging color guard from a local veterans post; visualize them marching into the mist, to the sound of distant drums and the muted bugles call, along with the

men and women who have gone before. There are no large marble memorials to these individual veterans; their monument is a free United States. I am left with one thought about the experience of speaking with these people; God bless the United States of America and all who serve her.
