And they - and their dogs - learn some important lessons about loyalty, companionship and unconditional love . . .

This delicious novel revolves around a classic love triangle: two men and one woman. She is English, they are French and American. The Frenchman is married, the American is not. None of this makes any difference. The woman—elusive, unreliable, a classic femme fatale—flits back and forth between her two lovers, driving them both mad. Lapeyre's subtle, graceful, yet compulsively readable narrative shows us the folly of men who fall helplessly in love with women they don't understand. Its theme is universal and its humor is sly. It is the perfect introduction in English to this brilliant writer's work.

Waar kom jij 's ochtends je bed voor uit? Ontdek de geheimen van het Japanse eiland Okinawa, waar het grootste aantal gezonde honderdjarigen ter wereld woont Volgens de Japanse traditie heeft iedereen een ikigai, een reden van bestaan. Het is één van de geheimen van een lang, tevreden en gezond leven, zoals de inwoners van Okinawa het leiden. Op dit Japanse eiland wonen meer gezonde en actieve honderdjarigen dan waar ook ter wereld. Sommige mensen hebben hun ikigai al gevonden, maar velen zijn er nog steeds naar op zoek. De auteurs vertrokken naar Okinawa en interviewden honderden inwoners om te ontdekken wat volgens hen het geheim is voor een optimistisch en gezond leven. Zo is een populaire Japanse uitspraak Hara hachi bu, wat betekent 'eet tot je voor tachtig procent vol zit', dat is veel gezonder voor je lichaam. Ook hebben ze een moai, een groep mensen met dezelfde interesses die altijd voor je klaarstaan. En wat ze aanraden: ga nooit met pensioen, maar blijf altijd een doel hebben waarvoor je je bed uit komt. García en Miralles kregen inzicht in wat de Japanners eten, hoe ze

bewegen, werken en omgaan met anderen. En hoe het vinden van je ikigai betekenis geeft aan je leven en je laat zien hoe je honderd jaar in topvorm kunt leven. Dit boek helpt je om je eigen ikigai te vinden en vertelt over de Japanse filosofie die zorgt voor een gezond lichaam, geest en ziel. De pers over ikigai 'We vinden ons ikigai door ons te concentreren op wat belangrijk is, in plaats van op wat dringend is. Door voortdurend in de gaten te houden wat goed voelt, zijn we in staat te ontdekken waar onze passie ligt.' Mundo Urano 'Er is geen haast, geen tijdslimiet, er zijn geen voorwaarden of verwachtingen, alles zal zich ontfouwen op het moment dat we goed kijken en luisteren naar wat er al in ons is.' Elephant Journal

Mary has brought Mark, recently returned from war service in Afghanistan, into counselling because of concerns for his gambling and how much it is costing the family. Is his military service playing some role in the increase in his gambling? Kylie has a problem with her anger. Brett is threatening to leave if her aggression is not better contained. Is her irritability that of an untreated depression or perhaps the brooding anger of a borderline personality

disorder? Bettina is taking Lithium for bipolar disorder and has just come out of hospital after a two-week admission related to her anorexia, and there is a need to closely monitor her weight. Natalie, her partner, is feeling highly stressed. She loves Bet, but feels overwhelmed by a responsibility to keep her alive. What support and guidance is best for Bettina? Much relationship counselling today is conducted by generalist psychologists, social workers, and counsellors. Yet there is a strong case for a greater role for clinical psychologists. Accurate assessment during couples therapy is essential, the dynamics between people are complex, and the process is potentially very demanding of clinical skills. This book provides an opportunity to make the argument for greater involvement in relationship counselling by the clinical psychology profession and to guide both clinical students and practitioners toward an informed and integrated approach to relationship counselling, drawing on the best evidence-based treatments.
